

CATER STATION

Induction Manual

Welcome to the CaterStation Team!!!

We're a small, tight-knit team working together from Monday - Saturday, preparing delicious catering kits and delivering them across Auckland.

Our main focus is customer satisfaction, providing a delicious catering experience that is friendly, convenient, flexible and seamless.

This manual is intended to provide an overview of your basic responsibilities and expectations while working here, along with some important details such as:

- Contact info
- Vehicle info
- How to record/send your worked hours

We operate from
Monday-Saturday
Between 7am and 8pm.

Busy periods will include Sunday
lunch

Summer is especially **busy**,
particularly in **December**, as
many workplaces and
families order from us for
Christmas and end of year
celebrations.

As we are a small team with a large
output, we enjoy a casual and
hardworking atmosphere. We **take
pride in quality and consistent
work and always get the job done.**

We use **Connect Teams** to record hours worked, so you will need to **download this app** on your phone. Please remember to clock in at the start of your shift and clock out at the end - if you forget, let Peter know straight away and we will show you how to edit a shift.

Wages are paid on Friday each week, occasionally due to banking delays payment may arrive the following day

Christine is in charge of rosters and will let you know your hours required for each day.

If for any reason you are unable to contact Christine, **please contact Peter.**

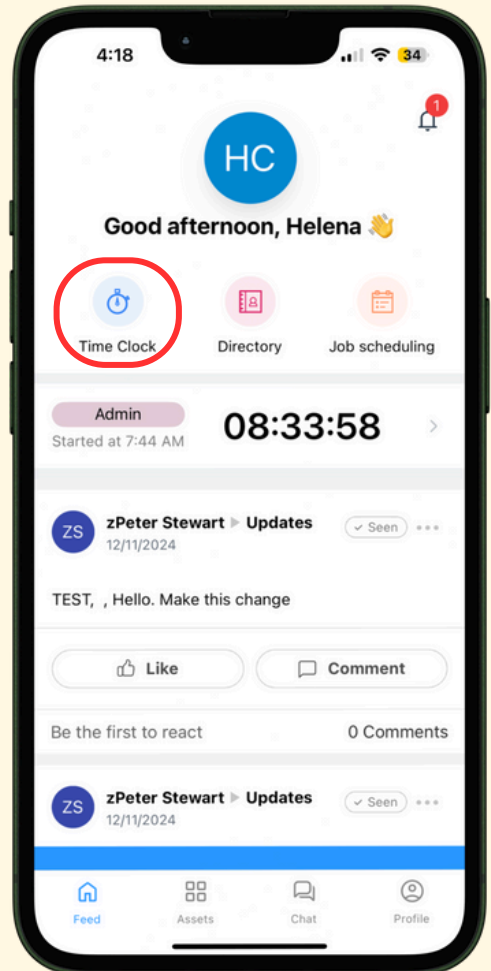

If you are **unwell and unable to work**, please let **Christine or Peter** know as soon as possible.

**We'll Revive
The Vibe.**

CONNECT TEAMS

1. **Download** the Connect Teams app from the App Store or Google Play.
2. Open the app and **log in** with your **phone number**.
3. Enter the CaterStation company code from your welcome email.
4. Tap Time Clock.
5. Tap **Clock In** and allow location if prompted.
6. At the end of your shift select **End Shift**.

**To check hours worked,
select time clock and the
calendar button
(timesheet)**

Lunch is provided around midday each day.

Breaks are paid - lunch break will be set based on the orders on the da. A 10min break is at your discretion, please use your judgement and notify Sofia or Peter.

Uniform - you will be provided with a CaterStation T-shirt, when it's unavailable to wear you may dress is whatever you feel is comfortable and sensible for work. Common sense is to be exercised.

**We'll Revive
The Vibe.**

Vehicle Rules/ Operation

Since our vehicles display CaterStation branding, please drive in a way that reflects positively on our brand.

You are not permitted to use your phone while driving, each vehicle has either a **hands-free system** or a **phone holder** which allows you to view GPS maps and call via loudspeaker.

It is a shared responsibility of all drivers to keep the vehicle **clean and tidy inside and out**, report any engine lights, damage etc to Peter, keep an eye on the fuel gauge and refill the tank as soon as possible when it reaches a **third of a tank remaining**.

Fuel Cards are in each vehicle, and are only valid at **Z Petrol Stations. Pin 7467**

Keys are to be brought **inside and put back on their hooks** at the end of the day after locking the vehicle.

We'll Revive The Vibe.

Day to Day Operations

We operate within a very **time-sensitive environment**, and it is a shared expectation of the team to all work in a diligent and focused manner.

Aside from completing **deliveries**, your standard day-to-day workload will consist of tasks including the **preparation of Cater Stations**. i.e. folding boxes/inserts, affixing labels and stickers, preparing serveware, flattening and discarding of cardboard rubbish, and helping with kitchen dishes.

No two days are the same, and your workload will reflect this accordingly. If you complete a task and are uncertain of what to do next, you are encouraged to **use your initiative and actively seek out other areas** where you may be able to lend a hand.

**We'll Revive
The Vibe.**

OUR PRODUCTS

You are encouraged to check out the **range of kits and add-ons** we offer on our website, there you will find each kit we sell with a **description of each component.**

So that you will be able to confidently answer any reasonable questions a customer may have regarding **food allergens**, the charts on the following pages have been prepared to highlight the **common allergens present** in the food we provide.

DELIVERY PROCESS

Before leaving for delivery, make sure you have the **address, contact number, customer/business name, delivery time, and order contents**. This info is on the kit stickers - **take a photo** for easy reference.

If **delivering multiple jobs**, ensure they're delivered in the correct order and that each customer gets the **right kits, add-ons, and serveware**. If unsure, check with Christine, Sofia or Peter.

Customers choose a 15-minute delivery window (e.g. 4:30–4:45). If you can't arrive within this time, **contact** them with your **updated ETA**.

Deliveries are our only **face-to-face interaction**, so **professionalism, friendliness, and presentation** are key. Always aim to **exceed expectations**.

Some customers may want you to **open kits and remove coverings**; others may not. Always check first. If setting up, **work quickly and neatly**, take all rubbish, and avoid touching the food.
